EDWIN CHUKWUEBUKA PROMISE

Lagos, Nigeria | +2347058149298 | promiseedwin242@gmail.com
GitHub: https://github.com/promzy004

Professional Summary

Motivated and detail-oriented Full Stack Developer with a strong foundation in front-end technologies and newly acquired backend expertise in PHP, Laravel, and MySQL. Skilled at building responsive web applications with modern tools like React and TailwindCSS. Certified from New Horizons Nigeria in both frontend and backend development, with a proven ability to build real-world projects. Actively seeking internship and junior roles to contribute, learn, and grow in a dynamic tech team.

Tech Stack

Frontend: HTML5, CSS3, JavaScript, React.js, TailwindCSS, Bootstrap

Backend: PHP, Laravel, MySQL

Tools & Others: Git & GitHub, Postman, Python

Core Skills

- Full Stack Web Development (React + Laravel)
- REST API Integration & Development
- Responsive Design & Mobile Optimization
- Role-Based Access Control
- CRUD Functionality & MVC Architecture
- Git Version Control & Debugging

Projects & Work Experience

- 🏠 **Real Estate Web App (Laravel + React) - In Progress**

Currently building a real estate platform with planned features such as role-based dashboards for admin, agents, and buyers. The project will include Paystack integration, secure Laravel backend, and full property management with authentication.

- 🛍️ **Propulse – E-commerce UI (React + TailwindCSS)**

Built a fully responsive Jumia-style frontend. Features include product listing, cart logic, and user-friendly interface.
